

AIRBORNE PRECAUTIONS

STAFF MEMBERS

Hands

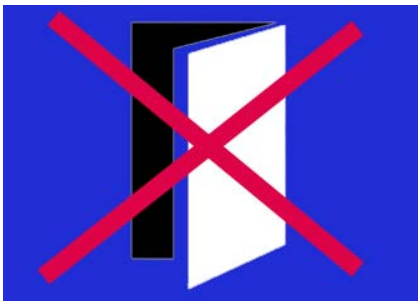

Wash hands or use alcohol preparation before touching the patient.

Aprons Mask Gloves

Wear a yellow apron and respiratory mask on entering the room.

Wear gloves if you are to have direct or indirect contact with the patient, bed linen, secretions, etc.

Door

Please keep door shut.

Before Leaving

Decontaminate equipment when it leaves the room.

Discard gloves and apron and wash hands before you leave the room.

VISITORS / PORTERS / DOMESTICS

Report to the Nurse-In-Charge or seek advice from the Nursing Staff before entering this room.
